

Daily Journal - **Kabateck Comments about First Pellicano Settlement** (January 4, 2010)

Brian Kabateck was quoted in the Los Angeles Daily Journal about the first settlement of any lawsuit stemming from ex-private investigator Anthony Pellicano's illegal wiretapping. Beverly Hills family lawyer Stephen A. Kolodny has resolved his dispute with convicted attorney Terry N. Christensen and Christensen's former law firm. Kabateck told the Daily Journal that "Mr. Kolodny is relieved- as are his lawyers – that this part of the case is over."
